Leukade is a red wine made from Tempranillo and Graciano.

It comes from two very small plots located in San Vicente de la Sonsierra which, due to their layout, age and altitude, do not reach the desired quality and ripeness every year.

Only in the best years is this wine made.

GRAPES	95% Tempranillo and 5% Graciano.
WINEMAKING	The grapes from old vines are fermented in French oak vats.
AGEING	15 months in French oak casks.
SERVICE	Between 16°C and 18°C.
COLOUR	Deep cherry red colour with violet reflections.
NOSE	Intense, complex and elegant aroma. Ripe black fruit on a balsamic and spicy background.
MOUTH	Powerful, full-bodied and flavoursome. Excellent tone and elegant on the palate. Complex retronasal passage and long persistence.
